

Course:  
**Creating Web Pages with HTML5 and CSS3**

Module 12. **Bootstrap**

**Implement a website with ads.**

**On this site, users can post ads for buying, selling, exchanging, or renting something and view other ads.**

**Your task is the layout of several pages.**

Every page has a header and footer (they are the same).

**The header consists of:**

- the logo;
- a company name;
- **New ad** button;
- a link to the user's profile.

**The footer has** a discolored logo and several columns of links.

The required icons are attached to this PDF file.\*

Some icons were taken from this font: <https://fontawesome.com/>.

**Task 1**

**Implement the home page of the website with ads.**

In addition to the header and footer, this page has:

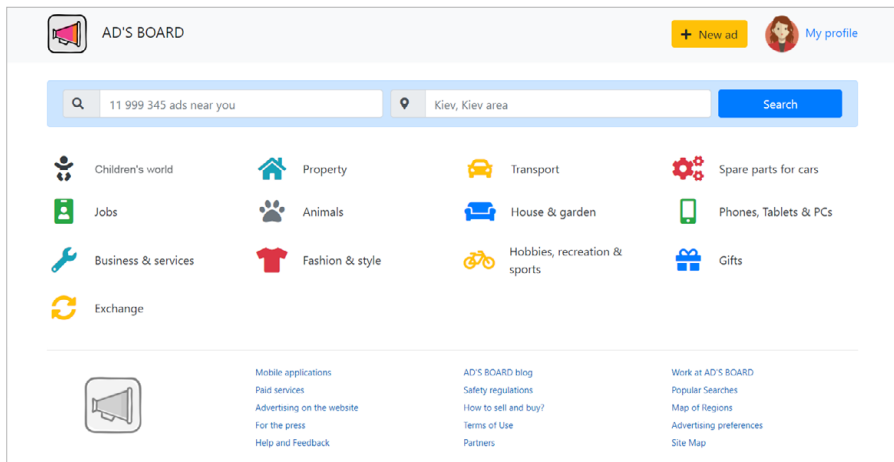

To access materials, open this PDF file in [Adobe Acrobat Reader](#).

- a search box (text, location, and a button);
- a list of categories (links).

**Bootstrap is required for this task.**

## Example of the result:

## Task 2

### Implement a search result page of the ad site.

Between the header and footer, there are the search box and the search result.

The form consists of:

- search text;
- location;
- a drop-down list of categories.

Every list item consists of:

- an image;
- a name;
- an address;
- submission date;
- price.

**Bootstrap is required for this task.**

**Example of the result:**

### Task 3

#### Implement a page with a single ad displayed.

Between the header and footer, there are the blocks with a detailed description of the product and seller's contact data.

The detailed description block consists of:

- the main image at the beginning;
- a header;
- location;
- submission date;
- a description;
- an image gallery;
- the number of views.

The block with seller's contact data consists of:

- price;
- **Write to seller** button;
- phone number button;
- profile picture;
- username;
- registration date;
- a button that allows users to view other ads of this seller.

**Bootstrap is required for this task.**

#### Example of the result:

see the Screenshot on page 5.
